

MEETS THE EYE STUDIOS

STUDIO A

Immaculate, spacious, and run by experienced filmmakers, Meets the Eye Studios offers one of the Bay Area's largest shooting spaces and comes loaded with amenities to help producers and filmmakers save time and money. Costs are straightforward with free parking and flat rates for space, power, and overtime — no hidden fees or surprise costs, and crew are welcome to optionally rent and use available gear (cameras, lighting, etc.) or other facility

Featuring a Pre-Lit Green Screen That Saves Time and Money

- 50' x 70' with 17' ceilings
- One of the largest green screen covers in the Bay Area: a pre-lit 25' x 53' green screen
- 2400A 3-Phase power and 12 quad receptacles, each on its own 20A circuit
- 12' x 12' motorized loading doors
- HD-SDI network enables your camera feed to be distributed throughout the facility
- Complete lighting grid (with speed rail) capable of wire work
- HVAC system quiet enough that you can record sync sound while it's running at 100%
